When the first atomic bomb was dropped over Hiroshima on August 6, 1945, the city became known worldwide for this unenviable distinction. Miyajima is a small island less than an hour outside the city of Hiroshima. It is most famous for its giant torii gate, which at high tide seems to float on top of the water. 38 seats are available for this trip.

Online registration via WebTrac is not available for this trip.

Registration for all May trips are being accepted now.
